Dear Ron and Blanche:

I wanted to thank you for my recent elk hunt as it was one of the most enjoyable hunts I have ever had. I have been hunting with different outfitters for over thirty years and your outfit is the best one I have ever hunted with. Ron has always been completely honest with what to expect on each hunt and the type of animals that will be seen during the hunt. I have never found a more honest and dedicated guide than Ron as he makes every effort to give the hunters an opportunity to harvest an animal in a fair chase hunt. The food and accommodations are also first rate.

I have hunted with your outfitter company three times now and plan on continuing to hunt with both of you for many more memorable hunts in the future. It is also a bonus to get to ride the horses, especially when we are packing out an elk!

Please feel free to share this letter with anyone you wish and I am certainly most willing to talk to anyone that would like to contact me for a reference. Both of you simply run the best outfit I have hunted with.

Sincerely,

Stephen D. Roberson
